Presentation & Poster Updates

May 6th

- Lunch: Commissioner Ron Anderson, Yakima County Commissioner & Board of Health member, will be giving the welcoming comments during lunch.
- Session 1C: Kimberly Grieves' name was spelled incorrectly.
- Session 2A: Adiam Mengis will not be presenting.
- Session 3A: Panelists include Rick Dawson, Randal Freeby, Grant Holdcroft, Desiree Sideroff, Linda Atkins, Lynn Schneider
- Poster: *Effects of Prenatal Exposure to Domoic Acid on Infant Cognitive Development in a Nonhuman Primate Model*. In the abstract, the p-value should be " $p > 0.05$ " instead of " $p < 0.05$ ".
- Poster: *Mortality Associated with Wildfire Smoke Exposure in Washington State, 2006-2017*. This will not be presented as a poster session.

May 7th

- Lunch and Awards: Joe Laxson, Department of Health, will be speaking in place of Clark Halvorson.
- Session 8B: Bryson Finch is the lead presenter.

May 8th

- Session 10A: Gregory Tanbara works for Tacoma-Pierce County Health Department, not Department of Ecology.
- Session 11A: Tina Echeverria will be the sole presenter.
